

# SUSTAINABLE TRANSITION

## KNOWLEDGE, INNOVATION & RESPONSIBILITY

### The 2030 Agenda: The Path Forward

May 21, 2025 - 17:00

Italian Cultural Institute  
Gjorlingsvej 11, DK-2900 Hellerup

#### Shaping a Sustainable Future

Join experts from science, art, business, and innovation for a roundtable discussion on global sustainability challenges. Topics will include climate change, pollution, digital innovation, and regulatory frameworks shaping our path to 2030.

#### Main Themes:

- Understanding challenges through science and art
- Business leadership in a changing climate
- The power of digital innovation for a sustainable future

#### Be part of the conversation.
